\*\*\*New Golf Shop Hours starting 6 November\*\*\*

With the coming time change on 6 November our days are getting shorter which means our golf shop will also be shortening its hours. Starting on Sunday 6 November the golf shop/club house hours will be 0745-1500. This does not mean all golf must be done by 1500 this just means you will need to check in or call and pre pay for any golf that takes place after 1500. As normal you can continue to play until dark, you will just not be able to access the club house after 1500. The locker rooms will, as usual, still be available until dark.

\*\*\*Turkey Shoot Saturday 12 November □ 2 Person Shambles Format\*\*\*

Grab a partner and come tee it up in the Eaglewood Turkey Shoot 2 Person Shambles. The format will be 18 holes of two-person shamble play which is captains choice on the drive and then each player plays their own ball in from there and the lower of the two scores counts for the team. There will be both gross and net divisions with the team receiving 70% of their USGA handicap. A USGA Recognized Handicap is required if you do not have a USGA Handicap you will be marked down as a scratch for the net division. Only \$10 entry fee + your normal golf fees. This event will be a 0800 shotgun. The top 3 teams in each division will win a turkey to take home for Thanksgiving! Register by clicking this link:

\*\*\*After Hours Golf\*\*\*

The Eaglewood Golf Shop is open 7 days a week from 7:45-5:00 PM each day this time of year, but that does not mean you need to be off the course by 5:00 PM each afternoon. You can stay out on the course until you are done with your round and you can keep your cart out until dusk; which these days is about 7:00 PM. The golf shop closes at 5:00 so you just need to either check in or pre-register your round before it closes. You can call the golf shop and pre-pay your fees over the phone with a credit card and your name will be added to the after-hours list with the outside staff getting you access to the first tee when you arrive. Unfortunately, if your name is not on the list you will not be allowed access to the golf course. The outside staff will be happy to get you set up with a cart or anything else you have prearranged with your phone call. Give us a call today to arrange your late afternoon round of golf. Golf Shop phone number 757-764-4547.
